Free night and \$100 credit at Aruba Marriot

THE DEAL

The [Aruba Marriott Resort & Stellaris Casino](#) just finished a \$50 million renovation, and part of that was the addition of an upscale "hotel within a hotel" with the conversion of the top floor into a new facility called the Tradewinds Club. Guests of the Tradewinds Club get deluxe amenities, separate check-in, free Internet, a private lounge with complementary food and beverage service, an open bar in the evening, and more. The "Grand Opening Package" for Tradewinds Club guests starts at \$374 a night, double, through December 19—up to 24 percent off regular rates. Stay five nights and you'll get the fifth night free, and a \$100 food and beverage credit.

THE DOLLARS

from \$374.
